Re: Request Extension for Submittal of Demolition Report
Interim Order (Civil Case No. 00-670-DRH, 00-677-DRH (consolidated))

Dear Mrs. Rednour:

On March 14, 2012 the Estate of Chemetco, Inc (Estate) submitted a letter requesting to extend the deliverable deadline of the Demolition Summary Draft Report (DSDR). The Estate received verbal approval from IEPA to submit the DSDR by April 30, 2012.

The Estate and Paradigm Minerals subcontracted the services of Mr. Bryan Stone (ERM Consultants) to complete the DSDR based on his familiarity with the site, and the demolition work as previously indicated.

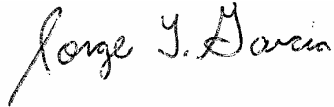

As per our phone conversation of Tuesday May 8, 2012 the DSDR is approximately 55% complete and efforts to generate and obtain final documentations (i.e., final hazardous waste manifests versus certificate of disposal) including tables, photodocumentation, and figures are ongoing.

The Estate of Chemetco, Inc. (Estate) requests a 30 day extension for completion and submittal of the DSDR by May 31, 2012.

If you have any questions, please do not hesitate to contact me at my office, 618/254-4381 x372 or by cell phone at 314-348-8211.

Sincerely

ESTATE OF CHEMETCO, INC.
